

Inviting an Interior Designer to join our thriving team

Are you the type of designer that...

Aspires to Cultivate Relationships, Design Inspiring Places, and Enrich Communities?

Desires to be an integral part of energetic teams from design to construction?

Is interested in working collaboratively with discerning clients to exceed their expectations?

Enjoys both the technical aspects of producing with Revit and opportunities for design and project leadership?

Holds or is pursuing NCIDQ Certification and seeks support in your professional growth?

If so, BOUDREAUX would like to invite you to submit your resume, design portfolio and references for review and consideration as our newest team member.

BOUDREAUX has a distinguished history in higher education, faith-based, workplace, and local government projects and is in its second generation of firm leadership with a youthful, energized team. We are a woman-led business located in a vibrant urban setting one block from Main Street.

We are seeking a talented professional with a working knowledge of Revit and rendering techniques, sophisticated design and graphic sensibilities, and a passion for our project types. The ideal candidate has at least 5 years of experience working in a design firm, enjoys the complete design process from conceptual design to detailed working drawings, has a proven record of seeing projects through completion, and is comfortable presenting design concepts in front of a group.

If we just described you, please submit information to our President, Heather Mitchell, at jointheteam@boudreauxgroup.com.
