BOUDREAU - Emerging Professional / Planning

Join Our Vibrant Team: Calling Recent Architecture and Urban Design Graduates!

Are you a forward-thinking designer who...

- Aims to build relationships, create inspiring spaces, and make an impact on communities?
- Is eager to be a key player on dynamic teams from initial planning through construction?
- Thrives on collaborating with discerning clients to exceed their expectations?
- Loves diving into the technical side of Revit while also taking on design challenges?
- Has a strong grasp of on how to produce compelling renderings and graphics to communicate master plan design concepts?
- Is committed to completing AXP and/or AICP and is looking for support in your professional journey?
- Holds a degree in Architecture and also has a degree or strong interest in Urban Design?

If you're nodding along "Yes!", BOUDREAU wants to hear from you! We're on the lookout for talented individuals with 1-5 years of experience, a solid grasp of Revit, a keen eye for design and graphics, curiosity about the intersection of placemaking, buildings and landscape, and a passion for our diverse project types.

As leaders in higher education, faith-based, workplace, and local government projects, BOUDREAU is powered by an energetic team that is proudly woman-led with studios in vibrant urban areas of both Columbia and Charlotte. This position is available in either of our locations. If you plan to be based in our Charlotte Studio, this position will require weekly travel to our Columbia Studio to collaborate with the planning team.

Ready to join us? Send your resume, design portfolio, and references to Heather Mitchell, President, at jointheteam@boudreaugroup.com.
