BOUDREAUX - Architect

Inviting an Experienced Project Architect and/or Project Manager to join our thriving team!

Join us as we cultivate relationships, design inspiring places and enrich communities from our Columbia and Charlotte Studios.

BOUDREAUX is looking for energetic individuals to be part of project teams through design and construction. We are seeking a strong designer with 5 to 7 years of experience either currently licensed or on the path to licensure. Revit and technical detailing skills are essential along with the ability to quickly and intuitively explore design options. Strong communication skills and a collaborative spirit are a must.

Are you a bit more experienced? BOUDREAUX is also looking for seasoned candidates to lead project teams through design and construction. We are seeking a skilled Project Manager with 8 to 15 years of experience, preferably currently licensed. Strong communication, leadership and team organization skills are crucial along with a history of managing design processes from concept through construction.

BOUDREAUX has a distinguished history in education, faith based, workplace, and local government projects. We promote design thinking, research and exploration in everything we do. We are a woman-led business and serve clients throughout the southeast from our Columbia and Charlotte studios.

Please submit your resume, design portfolio, and references for consideration to our President, Heather Mitchell, at jointheteam@boudreauxgroup.com.
